1. PROFILE OF THE CENTRE

Kanchi Mamunivar Govt. Institute for Postgraduate Studies and Research (KMGIPSR), Puducherry is an Autonomous Government Institution, established in the year 1989 with the objective of imparting higher education at Postgraduate and promoting Research level to the urban and rural society in this Puducherry. One of the most unique features of this institution is 95% of the total strength of students is women. It is affiliated to Pondicherry University, offering 16 PG Courses and 08 Ph.D. Programmes in Arts, Commerce and Science disciplines. The Institute is recognized under 2f and 12B of the UGC Act, 1956 with effect from 1993.

In the first cycle, the Institute was accredited at B++ Grade on 21st September 2005 and was re-accredited at "A" Grade with CGPA of 3.19 on four-point scale on 5th January, 2013 in Cycle 2. In cycle 3 we have acquired B++ in the year 2019. And also secured 56th position in 2020 -NIRF, fulfilling the objective criteria which promote competitive excellence in the higher educational institutions by MHRD. The parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception." Based on the excellent academic and research performance of the Institute, University Grants Commission (UGC) conferred the Institute with Autonomous Status for a period of six years from the academic year 2007-08 to 2012-13. It was further extended for the second term on 19th June, 2014 for six years from 2013-14 to 2018-19 and extended up to 2024. Further, the Institute was bestowed with the status of "College With Potential for Excellence" (Phase-I) on 18th March, 2010 for a period of five years from 2009-10 to 2013-14 and got extension of the status of "College With Potential for Excellence" (Phase-II) on 31st January, 2014 for a period of five years i. e. from 2014-15 to 2018-19.

After getting the Autonomous status during the year 2007, the Institute has made periodical changes in the curriculum and syllabus, incorporating abreast of the current developments in science & technology, taxation laws, government policy, industrial policy, etc., which made the students at PG level to compete with the students of other higher learning institutions (HLIs) of National as well as International repute across the states in India and elsewhere. The Institute has made a paradigm shift in the curriculum by adopting to "Choice Based Credit System" (CBCS) from 2012-13 and Non-Audit courses also introduced to enable skill for students. This shift to "Choice Based Credit System" enabled both the students and the faculties more vibrant and versatile in improving the standard and quality of knowledge and skill. The autonomy of evolving pedagogy helped us to match the need of the industry and employment market at large thereby enabling our students to enjoy the benefits of the industry-institution-interface. Our Institute is a institutional member in Confederation of Indian Industry (CII) which deeply promote relation with Industry. This paved way for more number of industrial visits and internship which have been implemented as important part of the curriculum.

The Village Adoption programmes which forms part of our Institute's extension has resulted in creating awareness among the stakeholders on issues relating to health and environment. The MoU with an NGO "Puthri" helps our students to act as mentors for the

nearby school children. An Academy for Competitive Examinations takes care of coaching the students for National Eligibility Test and other competitive examinations.

Student environment, society friendly programmes have been added. To mention a few: campus with rare and medicinal value plants. Language Laboratory, incinerator facility, WiFi connectivity with fiber optic cables, CCTV surveillance, an eco-garden with fish pond and an animal house. UGC, CSIR, DST etc. National level funded projects are undertaken by this institution. More than 30 Ph.D. scholars are awarded during this period 2020-21. The total student strength is 1600 which also includes students from other states. We have permanent faculties as per UGC regulations by the Govt. of Pondicherry and Pondicherry University. The Institute is having regular teaching faculties and most of them are guides for Ph.D. recognizing by Pondicherry University. Both teaching faculties and research scholars have published good number of research papers in reputed Indian and International Journals like UGC – CARE listed journals. Consistently the result percentage hovers around 98%. Most of our PG students pursue higher studies and are also placed in various reputed institutions and industries.

Due to Covid' classes are handled as per UGC guidelines both online and offline based on the students' requirements. Semester examinations also conducted as per the guidelines both online and offline

12. CO-CURRICULAR & CAMPUS ACTIVITIES

(I) Internal Quality assurance Cell (IQAC)

The National assessment and Accreditation Council advocated the establishment of Internal Quality assurance Cell (IQAC) by all the accredited institutions as a post accreditation quality sustenance activity.

Functions

- * Some of the functions expected of the IQAC are:
- * Development and application of quality benchmarks / parameters for the various academic and administrative activities of the institution.
- * Dissemination of information on the various quality parameters of higher education.
- * Organisation of workshops, seminars on quality related themes and promotion of quality circles.
- * Documentation of the various programmes / activities leading to quality improvement.
- * Preparation of the Annual Quality Assurance Report(AQAR) to be submitted to NAAC based on the quality parameters.

(II) National Service Scheme (NSS)

Institute has one unit with 100 volunteers. The activities of NSS are broadly divided into regular activities and special camping activities. Under regular activities, various community-based programmes are undertaken both in the campus and in the adopted villages. These activities include literary, health, environmental and other programmes. Special camping programmes involve 50 students and are organized for a period of seven days in the adopted village.

(III) Red Ribbon Club (RRC)

Red Ribbon Club was inaugurated in the Institute by Dr. Iftekhar Alam from Pondicherry University on 18th March 2010 to give proper education on sex and related health issues among the students and the value of voluntary blood donation among the youth.

(IV) Physical Education

Physical education helps the students to build up the team and competitive spirit. It provides training and practice to the students to represent State, National, International level events in Games and Sports. It is made compulsory that all the students must participate in the sports/games.

(V) Youth Red Cross – Objectives

- To inculcate in the Youth of our country.
- An awareness on the care of their own health and that of others.
- The understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern, to fulfill the same.
- To enable the growth and development of a spirit of service and sense of duty with dedication and devotion in the minds of youth.
- To foster better friendly relationship with all without any discrimination.

(VI) Cultural and Literary Activities

A committee of faculty and student volunteers is constituted at the beginning of every academic year. Institute Cultural Festival is conducted to identify the best talents in students

through various activities, usually in the month of March every year for about three days. Students are deputed to participate in various inter-collegiate competitions.

(VII) Health Club: Yoga Class

Formed in 2019, the club's vision is to develop sensitivity among students, scholars and teachers in particular and the community in general regarding health and nutrition, awareness and maintenance of a healthy life style. As one of its programmes and activities aimed to this effect, it has been conducting yoga classes for the students and teachers and also aims to utilize the college gym.

(VIII) Rain Water Harvesting:

On the basis of water requirement of the college, groundwater conditions of the area and rainwater data, it is restored to maintain rainwater harvesting system for catering the need for water for the Institute. It will not only maintain the water level of the groundwater of the region but also save our water resources and power consumption for future use.

(IX) Paperless administration (e-governance)

An easy place to start on our quest to go paperless is to digitize all of our Institute's communication. Propose to streamline digital system for circulars, progress card, e-admit card for semester examinations, e-record for students profile and mentor system.

(X) Village Adoption:

The Institute's Economics department has adopted the nearby Villages and has been carrying out various activities there. Each department is motivated to organise a programme suitable to the subject of study, and also encourages Organic farming, Water analysis and Energy conservation etc.

13. STUDENT'S WELFARE ASSOCIATION

(I) Students' Council

Student Council gives students an opportunity to develop leadership by organizing and carrying out Institute activities and service projects. In addition to planning events that contribute to Institute spirit and community welfare, the student council is the voice of the student body. They help share student ideas, interests and concerns with the Institute wide community. Any student that is interested in leadership, organizational behavior, event planning or becoming more involved in the Institute are welcome to become involved. Email ID for this council is kmgipsrstudents@gmail.com

(II) Alumni Association

The Alumni Association acts as a bridge between the past and the present of the Institution. Students who have passed out can come back and share their experiences on and off the campus with the current batch of students and help them to improve their performance in studies and also visualize a planned career path. The Association takes efforts to tap the financial sources through the donations of the alumni and use the finances for the betterment of the institution, their alma mater.

(III) Parent Teacher's Association

Parent Teacher's association of Kanchi Mamunivar Govt. Institute for Post Graduate Studies and Research was established on 10th January 2008 with the approval of Directorate of Higher and Technical Education, Puducherry for the welfare of the students and the development of the Institute. General Body and Executive Committee meetings of the PTA are conducted periodically for discussing about the student's requirements, inconvenience, academic developments and co-curricular activities.

(IV) Anti-Ragging Committee & Anti-Ragging Squad

Ragging is a cognizable offence under the law and hence is banned in all its forms in the campus. Violation will invite disciplinary action under Campus Rules and Code of Conduct for students and appropriate Acts / Regulations / Orders of Pondicherry Govt. / Pondicherry University / UGC and Supreme Court of India.

The Institute shall take necessary steps to sensitize students, parents, authorities about the gravity of ragging. Institute provides instructions on whom to contact in case of incidence or attempt at ragging. This would include contact mobile numbers of Anti-Ragging Committees, Anti-Ragging Squad, Anti-Ragging Helpline, and relevant State, District and police authorities.

(V) Women's / student's Welfare / Sexual Harassment Committee

1. To follow the directives of Hon'ble Supreme Court of India for framing and implementing a policy against sexual harassment of women at work place.
2. To uphold Women's Right to Gender Equality; Right to life and liberty, Right to protection against to protection against Sexual Harassment.
3. To actively and regularly promote a social , physical and psychological environment , both within and outside centre, which will raise awareness about and deter acts of sexual harassment of women.
4. To uphold the commitment of the Institute to provide an environment free of discrimination and violence against women.

(VI) Centralized Student's Grievance Redressal Cell

As part of our constant endeavor to ensure transparency in all the activities at different stages, Institute provides proper mechanism to students for redressal of their grievances. This committee will deal with all the Grievances directly which is related to the common problems at Institute level both Academic and Administrative. The aggrieved member shall submit his/her petition to the Grievance Redressal Committee in a sealed envelope marked 'confidential'. In case of false and frivolous complaint (if proved), the Grievance Redressal Committee will recommend Institute's Director / Disciplinary Authority to take appropriate action against the complainant. Complaints filed through email id. by students and parents and oral complaints are also redressed.

(VII) Student Induction Programme (SIP)

As per UGC guidelines, this programme is conducted to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

14. EMPLOYMENT INFORMATION AND GUIDANCE BUREAU

(I) CAREER PLANNING PROGRAMME:

On joining the Postgraduate programmes, the students are given information about their career planning. The following job opportunities are highlighted through this programme:

- LDC / UDC Examinations
- Govt. Competitive Examinations

(II) CAMPUS RECRUITMENT / JOB FAIR: PLACEMENT CELL

Different kinds of recruiting agencies, national and international, have been visiting our college for the purpose of recruiting qualified and suitable candidates from among the students of the Centre. Companies engaged in Information Technology, Cellular services, Electrical appliances, Chemical industry and others, visit our institution. This is done apart from the preparations of students for various subordinate services through the special coaching classes sponsored by the UGC.

15. FACILITIES EXTENDED FOR STUDENTS

(I) General Library & E-Library

The General Library houses about eight thousand and eight hundred (8800) books besides the individual departmental library books. The General Library is open to all students and staff of the Centre. Scholars are also utilized E-Library for research activities. The library is open on all working days from 9.00. a.m. to 4.00. p.m. It is closed on Saturdays and Sundays and on other authorised holidays. Each of the 12 Departments has the facility of the departmental library.

(II) NLIST: KMCPGS, Puducherry has enrolled itself into N-LIST Programme of **INFLIBNET** Centre from the year 2012 through which a Library user can access and download e-resources including both e-books and e-journals free of cost, online. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre.

(III) WIFI CONNECTIVITY: For all students and Staff of the Centre

(IV) STUDENT'S CO-OPERATIVE STORES

Kanchi Mamunivar Govt. Institute for Postgraduate Studies and Research, Students Co-operative store Ltd. No. P. 783, Puducherry was started on 09.10.2009, with the intention of doing service to the students and staff. Though the Co-operative Stores comes under the Registrar of Co-operative Societies, Co-operative Department, Puducherry, it is managed and supervised effectively by the elected management committee consisting of President, Secretary and the Board of Directors towards fulfilling the aspirations of the members of the store. Since November 2016, our College canteen is run through Students Co-operative Store selling the variety of rice, snacks, tea and coffee with reasonable price.
