➢ The members in the enclosed list attended the Board of Studies meeting and the meeting was chaired by Mr. S.Sundararajan, Head of the Department of Computer Science, KMCPGS, Puducherry.

➢ The Chairman distributed the draft syllabus for M.Sc (Computer Science) under CBCS for the academic year 2012 – 2013.

➢ The Curriculum & Syllabi were discussed and after the deliberations & discussions, the following are the recommendations by the members of the Board of Studies.

1. I semester of the curriculum should have 5 theory papers( 4 hardcore + 1 elective [dept. subject ] ), 2 associated lab and a soft skill program with a total of 24 credits.

2. The curriculum of II semester should be with 5 theory papers( 4 hardcore + 1 softcore elective [ relevant other dept. subject ] ), 2 associated lab with a total of 21 credits.

3. The III semester of the curriculum should have 5 theory papers( 3 hardcore + 2 elective [dept. subjects ] ), 2 associated lab and a soft skill program with a total of 24 credits. The Soft Skill program is to be offered to equip the students for placement with IT industry.

4. Its mandatory to motivate the students to pursue their project work at industry/institution to gain work & specialized knowledge in the recent trends & developments in IT field. Hence, the IV semester curriculum is designed to include the projects components viz: project work, project seminar, project report & project viva-voce. Each component will be assigned with 4 credits. Hence the total credits for IV semester is 16.

5. The syllabi of the subjects should have 5 units to equip the students to meet out the industry/institution expectations and standards.

6. A total of 85 credits is to be completed for the award of the degree.

7. The syllabi for the first two semesters has been finalised and to be submitted in due course.
8. The end-semester external question paper should have three sections to evaluate the technical knowledge of the students in the concerned subject

Section – A (10*2 = 20 marks) – 2 questions from each unit
Section – B (5*5 = 25 marks) with internal choice [1 from each unit] and
Section – C (3*10 = 30 marks) [5 out of 3] [1 from each unit]

Minutes of the meeting

The Fourth Board of Studies meeting of the Department of Mathematics, Kanchi Mamunivar Centre for Post Graduate Studies was held on 30-01-2013 at 10.00 AM.

The members of Board of Studies suggested modification with regard to contents and references of each course. The following general recommendations are made by the members of Board of Studies.

1. Recommends the syllabi for III and IV semesters of M.Sc. (Mathematics) course (Syllabi enclosed). The five hard core electives (not discussed in Third BOS meeting) were finalised.

2. Recommends a total of six papers three in I semester and three in II semesters under CBCS for M.Phil (Mathematics); Paper IV Soft Core Elective - Fundamentals of Mathematics and Statistics is offered in II semester for the students of other disciplines. (Syllabi enclosed). The new syllabi will come into effect from 2013 - 2014 onwards.

3. Recommends question pattern for M.Phil. (Mathematics) as given below:
   - **Section A:** Question with internal choice and one question from each unit. Candidates should write all the questions (4×5 = 20).
   - **Section B:** 4 Questions with maximum of two subdivisions only and one question from each unit. Candidates should write any three questions (3×10 = 30).

4. Recommends the same scheme of examination and the pattern of question papers for all papers of III and IV Semesters as those of I and II semesters already finalised in the third BOS meeting held on 21-10-2011.

5. All other recommendations and resolutions passed in Third BOS meeting are continued.

6. Authorise the Chairman to suggest the panel of paper setters and Examiners for valuation.

7. The omissions and corrections suggested in the Fourth BOS meeting held on 30-01-2013 were unanimously accepted and attested by the Members of BOS.

8. For M.Phil. Programme, since the students spend the entire semester for Dissertation work and Viva-voce is only for a maximum of one hour, it is suggested that out of 9 credits (6+3) 8 credits can be for dissertation and 1 credit for Viva-voce.

- The Curriculum & Syllabi were discussed and after the deliberations & discussions, the following are the recommendations for M.Sc programme by the members of the Board of Studies.

1. The I semester of the curriculum should have 5 theory papers( 4 hardcore + 1 elective [dept. subject ] ), 2 associated lab and a soft skill program is to be offered to equip the students for placement with IT industry with a total of 24 credits.

2. The curriculum of II semester should be with 5 theory papers( 4 hardcore + 1 elective [dept. subject ] + 1 elective [subject offered by other dept. ] ), 2 associated lab with a total of 24 credits.

3. The III semester of the curriculum should have 5 theory papers ( 3 hardcore + 2 elective [dept. subjects]), 2 associated lab with a total of 24 credits. The IV semester of the curriculum should have one elective [dept. subject], 1 soft skill program and project work with a total credit of 18. The project work will have of three sub components viz., project work, project seminar & project viva-voce. Each component will be assigned with 4 credits. The total mark for project work is 300. The external and internal marks for project work will be awarded as follows:
<table>
<thead>
<tr>
<th>Internal marks</th>
<th>External marks</th>
</tr>
</thead>
<tbody>
<tr>
<td>100 marks should be given by internal guide for the project work</td>
<td>100 marks should be given by external examiner during University exam</td>
</tr>
<tr>
<td>50 marks should be given by review team members as evaluation of continuous progress</td>
<td>50 marks should be given by internal guide during university exam</td>
</tr>
</tbody>
</table>

4. The syllabi of the subjects for M.Sc should have 5 units to equip the students to meet out the industry/institution expectations and standards.

5. The M.Phil program is framed for two semester. In first semester, the students should study three papers (curriculum & scheme of examinations is enclosed) with a total credit of 12 and II semester components of dissertation and viva-voce with a total credit of 8. Hence for M.Phil program the total accumulated credit will be 20.

6. The Board of Studies members suggests the followings for M.Phil. program.
   I) The II semester components will be of dissertation and viva-voce only.
   II) In case if the Institution’s general course policy is to have a paper in the II semester, the department can offer a special elective subject which will be related to the candidate’s M.Phil research work.

7. The syllabi of the subjects for M.Phil should have 5 units to equip the students to meet out the industry/institution expectations and standards.

8. A total of 90 credits is to be completed for the award of the M.Sc degree and 20 credits is to completed for the award of M.Phil degree.
