3.5.1: Policy on Consultancy Including Revenue Sharing between the Institution and the Individual

The Centre, as on date, does not have a detailed policy on consultancy including revenue sharing between the Institution and the individual. However, efforts are being made to evolve policy of consultancy including revenue sharing between the Institution and the individual. A policy is being initiated, which will be placed before the Governing Body of the Centre for its due approval in the ensuing Governing Body meeting. Once, it is approved by the Governing Body, and then the Centre will implement and execute the policy on consultancy including revenue sharing between the Institution and the individual.
