Policy for Promotion of Research

The Centre offers M.Phil. Programmes in eleven disciplines – Tamil, English, French, History, Economics, Mathematics, Physics, Chemistry, Botany, Zoology and Commerce. The Centre also offers Ph.D. programmes in eight disciplines – Tamil, English, Mathematics, Physics, Chemistry, Botany, Zoology and Commerce.

Both the faculty members and the research scholars are motivated to conduct research. For science subjects, laboratories are well-equipped and required new laboratory equipments are made available in the laboratory. For Arts and Commerce disciplines, each department maintains its own library at the department level. All the departments subscribe to adequate number of required national and international journals of internationally repute.

Research projects have been undertaken by the faculty members. Research articles have been published in reputed national and international research journals of repute. Ample opportunities are provided to the faculty members and the research scholars to participate and present research papers in conferences at national and international level.

Research scholars are provided fellowship from the Welfare Department, Government of Puducherry, Puducherry and from UGC ((JRF) for pursuing research at Ph.D level.
