GANGAJI FAIR

The Somnath Madadew temple in the village of Dabhel is the venue of a grand fair and celebrations every year in March. It is believed that the present shivlinga miraculously appeared here in the 19th Century on the request of a monk who was a true devotee of Shiva. The existing temple was rebuilt in year 1972-73 and since then every year a fair is organized here which is visited by a large number of people from within the district as well as outside. Thousands having faith in the occasion congregate at Somnath Mahadev, take their holy bath in the water tank, conduct the religious activities to invoke the blessings of lord Shiva.
